## **PREFACE**

## **PART A – MEMBER PROTECTION POLICY**

### **1. Ovens & Murray Water Polo Association's Core Values**

The Ovens & Murray Water Polo Association is committed to fair and safe play in water polo.

The Ovens & Murray Water Polo Association is committed to providing a sport and work environment free of discrimination and harassment (sexual or otherwise), where individuals are treated with respect and dignity, and where children are protected from abuse. The Ovens & Murray Water Polo Association will not tolerate behaviour which constitutes abuse, discrimination or harassment under any circumstances and will take disciplinary action against anyone who breaches the Member Protection Policy.

### **2. Purpose of this policy**

This Member Protection Policy aims to ensure our core values, good reputation and positive behaviours and attitudes are maintained. It assists us in ensuring that every person involved in our sport is treated with respect and dignity, and is safe and protected from abuse. This policy also ensures that everyone involved in our sport is aware of his or her legal and ethical rights and responsibilities.

The policy attachments provide the procedures that support our commitment to eliminating discrimination, harassment, child abuse and other forms of inappropriate behaviour from our sport. As part of this commitment, the Ovens & Murray Water Polo Association will take disciplinary action against any person or organisation bound by this policy if they breach it.

This policy has been endorsed by the executive of the Ovens & Murray Water Polo Association and has been incorporated into our By-Laws. The policy starts on 20 February 2005 and will operate until replaced. This policy and/or its attachments may be amended from time to time by resolution of the executive committee. Copies of the policy and its attachments can be obtained from our website ([www.omwaterpolo.org.au](http://www.omwaterpolo.org.au)) or from the Ovens & Murray Water Polo Association Secretary.

This policy will continue to apply to a person even after they have stopped their association or employment with Ovens & Murray Water Polo Association if disciplinary action, relating to an allegation of child abuse against that person, has commenced.

### **4. Code Of Conduct**

Ovens & Murray Water Polo Association requires every individual and organisation bound by this policy to:

- 4.1 Be ethical, fair and honest in all their dealings with other people and the Ovens & Murray Water Polo Association;

- 5.9 Monitor and review this policy at least annually.

## **6. Individual Responsibilities**

Individuals bound by this policy are responsible for:

- 6.1 Making themselves aware of the policy and complying with the standards of conduct outlined in this policy;
- 6.2 Consenting to a national police check if the individual holds or applies for a role that direct and unsupervised contact with people under the age of 18 years.
- 6.3 Complying with all other requirements of this policy;
- 6.4 Co-operating in providing a discrimination, child abuse and harassment free sporting environment;
- 6.5 Understanding the possible consequences of breaching this policy.

## **7. Policy Position Statements**

### **7.1 Child Protection Policy**

Every person and organisation bound by this policy must always place the safety and welfare of children above all other considerations.

The Ovens & Murray Water Polo Association acknowledges that our staff and volunteers provide a valuable contribution to the positive experiences of our juniors. The Ovens & Murray Water Polo Association aims to ensure this continues and to protect the safety and welfare of its junior participants. Several measures will be used to achieve this such as:

- Prohibiting any form of abuse against children;
- Providing opportunities for our juniors to contribute to and provide feedback on our program development;
- Carefully selecting and screening people whose role requires them to have regular contact with children. (Screening procedures are outlined in Part B of this policy);
- Ensuring our codes of conduct, particularly for roles associated with junior sport, are promoted, enforced and reviewed;
- Providing procedures for raising concerns or complaints (our complaints procedure is outlined in Part C of this policy); and

- Providing education and/or information to those involved in our sport on child abuse and child protection.

The Ovens & Murray Water Polo Association requires that any child who is abused or anyone who reasonably suspects that a child has been or is being abused by someone within our sport, to report it immediately to the police or relevant government agency and Member Protection Officer. Descriptions of the sorts of activity that may be abuse are in the Dictionary at clause 11.

All allegations of child abuse will be dealt with promptly, seriously, sensitively and confidentially. A person will not be victimised for reporting an allegation of child abuse and the privacy of all persons concerned will be respected. Our procedures for handling allegations of child abuse are outlined in attachment C of this policy.

If anyone bound by this policy reasonably suspects that a child is being abused by his or her parent/s, they are advised to contact the relevant government department for youth, family and community services in their state/territory.

## **7.2 Anti-Discrimination and Harassment Policy**

The Ovens & Murray Water Polo Association aims to provide a sport environment where all those involved in its activities are treated with dignity and respect, and without harassment or discrimination.

The Ovens & Murray Water Polo Association recognises that all those involved in its activities cannot enjoy themselves, perform to their best, or be effective or fully productive if they are being treated unfairly, discriminated against or harassed because of their sex, marital status, pregnancy, parental status, race, age, disability, homosexuality, sexuality, transgender, religion, political belief and/or industrial activity.

The Ovens & Murray Water Polo Association prohibits all forms of harassment and discrimination not only because it is against the law, but because it is extremely distressing, offensive, humiliating and/or threatening and creates an uncomfortable and unpleasant environment.

Descriptions of some of the types of behaviour which could be regarded as harassment or discrimination are provided in the Dictionary at clause 11.

If any person feels they are being harassed or discriminated against by another person or organisation bound by this policy, please refer to our complaints procedure outlined in attachment C of this policy. This will explain what to do about the behaviour and how the Ovens & Murray Water Polo Association will deal with the problem.

## **7.3 Sexual Relationships Policy**

The Ovens & Murray Water Polo Association takes the position that sexual relationships between coaches and the adult athletes that they coach should be avoided. The Ovens & Murray Water Polo Association takes the view that such relationships while not necessarily constituting unlawful harassment, can have harmful effects on the individual athlete involved, on other athletes and coaches, and on the sport's public image. Such relationships tend to be intentionally or unintentionally exploitative because there is usually a disparity between coaches and athletes in terms of authority, power, maturity, status and dependence. The Ovens & Murray Water Polo Association's policy position is similar to other organisations who disallow professionals such as teachers, doctors and counsellors to have sexual relationships with their clients or students.

Should a sexual relationship develop between an athlete and coach, the Ovens & Murray Water Polo Association will investigate whether any action against the coach is necessary. Factors that may be relevant to consider are the age and maturity of the athlete relative to the coach, the financial or emotional dependence of the athlete on the coach, and the likelihood of the relationship having any adverse impact on the athlete and/or other athletes. If it is determined that the sexual relationship is inappropriate, action may be taken to stop the coaching relationship with the athlete. Action may include transfer, a request for resignation or dismissal from coaching duties.

In the event that an athlete attempts to initiate an intimate sexual relationship, the coach must take personal responsibility for discouraging such approaches, explaining the ethical basis for such action. The coach may wish to approach the Ovens & Murray Water Polo Association's Member Protection Officer if they feel harassed.

The law is always the minimum standard for behaviour within the Ovens & Murray Water Polo Association and therefore sex with a child is a criminal offence.

#### 7.4 Policy on Children and Images

The Ovens and Murray Water Polo Association is aware of the risks posed directly and indirectly to children and young people by taking video footage and photographs of junior water polo players.

In order to safeguard junior participants several guidelines will be followed;

- Where practical, parents and spectators must ask the permission of the parent or guardian prior to taking the image and inform the parent/guardian of the intended use of the image.
- Images of children should not be displayed on the Internet and names of children should not be used when displaying images in the public arena;
- Change rooms must be camera-free zones; and
- The coach/team manager should be advised immediately if any unknown people exhibit inappropriate photographic behaviour with regard to junior players.

### 8. Complaints Procedures

#### 8.1 Complaints

The Ovens & Murray Water Polo Association aims to provide an easy to use, confidential and trustworthy procedure for complaints based on the principles of natural justice. Any person may report a complaint (complainant) about a person/s or organisation bound by this policy if they reasonably believe that a person/s or a sporting organisation has breached this policy. A complaint should be reported to the Ovens & Murray Water Polo Association's Member Protection Officer.

A complaint may be reported as an informal or formal complaint. The complainant decides whether the complaint will be dealt with informally or formally unless the Ovens & Murray Water Polo Association's Member Protection Officer considers that the complaint falls outside the parameters of this policy and would be better dealt with another way.

All complaints will be dealt with promptly, seriously, sensitively and confidentially. Our complaint procedures are outlined in attachment C of this policy.

#### 8.2 Vexatious Complaints & Victimisation

The Ovens & Murray Water Polo Association aims to ensure our complaints procedure has integrity and is free of unfair repercussions or victimisation. If at any point in the complaint process the Ovens & Murray Water Polo Association's Member Protection Officer believes that a complainant has **knowingly** made an untrue complaint or the complaint is vexatious or malicious, the matter may be referred to the Ovens & Murray Water Polo Association executive committee for appropriate action which may include disciplinary action against the complainant.

The Ovens & Murray Water Polo Association will also take all necessary steps to make sure that people involved in a complaint are not victimised by anyone for coming forward with a complaint or for helping to sort it out. Disciplinary measures will be imposed on anyone who victimises another person for making a complaint.

#### 8.3 Mediation

The Ovens & Murray Water Polo Association aims to sort out complaints with the minimum of fuss wherever possible. In many cases, complaints can be sorted out by agreement between the people involved with no need for disciplinary action. The people involved in a formal complaint -

the complainant and the person complained about (respondent) - may also seek the assistance of a neutral third person or a mediator. Lawyers are able to negotiate on behalf of the complainant and/or respondent.

Mediation may occur either before or after an investigation of a complaint. If a complainant wishes to try and resolve the complaint with the assistance of a mediator, the Ovens & Murray Water Polo Association's Member Protection Officer will, in consultation with the complainant, arrange for a mediator to mediate the complaint. More information on the mediation process is outlined in attachment C of this policy.

#### **8.4 Tribunals**

A hearings tribunal may be formed to hear a formal complaint that has been referred by the Ovens & Murray Water Polo Association's Member Protection Officer. Our tribunal hearings procedure is outlined in attachment C of this policy.

A respondent may lodge one appeal only to the appeal tribunal in respect of a decision of a hearing tribunal. The decision of the appeal tribunal is final and binding on the people involved to the appeal. Our appeals process is outlined in attachment C of this policy.

Every organisation bound by this policy will recognise and enforce any decision made, and form of discipline imposed, by an appeals tribunal under this policy.

### **9. What is a Breach of this policy**

### **10. Forms of Discipline**

If an individual or organisation to which this policy applies breaches this policy, one or more forms of discipline may be imposed. These may include making a verbal or written apology, paying a fine, being suspended or de-registered or having a person's appointment or employment terminated. More information on the range of disciplinary measures and the factors that will be considered before imposing discipline is at attachment C of this policy.

### **11. Dictionary**

This Dictionary sets out the meaning of words used in this policy and its attachments without limiting the ordinary and natural meaning of the words. State/Territory specific definitions and more detail on some of the words in this dictionary can be sourced from the relevant State/Territory child protection commissions or equal opportunity and anti-discrimination commissions.

**Abuse** is a form of harassment and includes physical abuse, emotional abuse, sexual abuse, neglect, and abuse of power. Examples of abusive behaviour include bullying, humiliation, verbal abuse and insults.

**Affiliated club** means any water polo club affiliated with the Ovens & Murray Water Polo Association.

**Child** means a person who is under the age of 18 years (see also definition of young person)

**Child abuse** relates to children at risk of harm (usually by adults, sometimes by other children) and often by those they know and trust. It can take many forms. Children may be harmed by both verbal and physical actions and by people failing to provide them with basic care. Child abuse may include:

- Physical abuse by hurting a child or a child's development (e.g. hitting, shaking or other physical harm; giving a child alcohol or drugs; giving bad nutritional advice; or training that exceeds the child's development or maturity).
- Sexual abuse by adults or other children where a child is encouraged or forced to watch or engage in sexual activity or where a child is subject to any other inappropriate conduct of a sexual nature (e.g. sexual intercourse, masturbation, oral sex, pornography including child pornography or inappropriate touching or conversations).
- Emotional abuse by ill-treating a child (e.g. humiliation, taunting, sarcasm, yelling, negative criticism, name calling, ignoring or placing unrealistic expectations on a child).
- Neglect (e.g. failing to give food, water, shelter or clothing or to protect a child from danger or foreseeable risk of harm or injury).

**Complaint** means a complaint made under clause C of this policy.

**Complainant** means the person making a complaint.

**Discrimination** means treating or proposing to treat a person less favourably than someone else in certain areas of public life on the basis of an attribute or personal characteristic they have. The relevant attributes or characteristics are:

- Political belief/activity;
- Pregnancy;

Requesting, assisting, instructing, inducing or encouraging another person to engage in discrimination may also be discriminatory conduct.

Discrimination may be direct or indirect. **Direct discrimination** is treating, or proposing to treat someone less favourably because of a characteristic (such as race, sex, age etc), in the same or similar circumstances. **Indirect discrimination** is imposing or intending to impose a requirement, condition or

practice that is the same for everyone but which has an unequal or disproportionate effect on particular individuals or groups.

Unlawful harassment includes the above but is either sexual or targets a person because of their race, sex, pregnancy, marital status, sexuality or other characteristic (see characteristic list under discrimination).

Whether or not the behaviour is harassment is determined from the point of view of the person receiving the harassment. **Junior** means a person under the age of eighteen (18) years who is participating in an activity of the Ovens & Murray Water Polo Association.

**Member Protection Officer** means a person trained to be the first point of contact for a person reporting a complaint under, or a breach of, this policy. The Member Protection Officer provides confidential information and moral support to the person with the concern or who is alleging harassment or a breach of this policy. The Member Protection Officer may accompany the complainant in anything they decide to do, if it feels appropriate and they are happy to do it.

**Natural justice** incorporates the following principles:

- a person who is the subject of a complaint must be fully informed of the allegations against them
- a person who is the subject of a complaint must be given full opportunity to respond to the allegations and raise any matters in their own defence
- all parties need to be heard and all relevant submissions considered
- irrelevant matters should not be taken into account
- no person may judge their own case
- the decision maker/s must be unbiased, fair and just

---

This attachment sets out the screening process for people who currently occupy or who apply for any work (paid or voluntary) in the Ovens & Murray Water Polo Association or affiliated club that involves working with people under the age of 18 years.

Screening under this policy is not a replacement for any other procedure required by law. If State or Territory legislation sets an equivalent or higher standard of screening, the requirement to screen people under the process outlined below need not be followed.

### **Association/club requirements**

2. Obtain a completed *Member Protection Declaration* (MPD) from all people who are bound by this policy if they occupy or apply for a position that involves working with people under the age of 18 years. The MPD will be kept in a secure place.

If a MPD is not provided, or it reveals that a person does not satisfactorily meet with one or more of the clauses in the MPD (e.g. has a relevant criminal conviction), the Ovens & Murray Water Polo Association or Affiliated Club will:

In most police jurisdictions a 'Part Exclusion' check for people working with children can be requested. This check excludes irrelevant records.

If the police check indicates a relevant offence, the Ovens & Murray Water Polo Association or Affiliated Club will:

- provide an opportunity for the person to respond/provide an explanation, and
- make an assessment as to whether the person may pose a risk to or be unsuitable to work with people under the age of 18 years.

If unsatisfied, the Ovens & Murray Water Polo Association or Affiliated Club will:

- [in the case of an existing employee/volunteer, transfer the person to another role which does not require them to work [directly and unsupervised] with people under the age of 18 years. If this is not possible, then end the appointment. **Note: legal advice should be obtained before the termination process begins.**
  - in the case of a someone applying for the position/role, not appoint them.]
6. Decide whether to offer the person the position or retain the person in the position, taking into account the result of the police check and any other information Ovens & Murray Water Polo Association or Affiliated Club has available.   8. Protect the privacy of any person who is checked and the confidentiality of any information obtained through the checking process. Information collected during screening (such as a completed MPD form, police records and referee reports) will be returned to the relevant person if that person is not appointed to/will not remain in the position, or otherwise be destroyed with the consent of the person concerned.

## **Attachment C1: COMPLAINTS PROCEDURE**

---

A complaint can be about an act, behaviour, omission, situation or decision that someone thinks is unfair, unjustified, unlawful and/or a breach of this policy. Complaints will always vary. They may be about individual or group behaviour; they may be extremely serious or relatively minor; they may be about a single incident or a series of incidents; and the person about who the allegation is made may admit to the allegations or emphatically deny them.

Given all of the variables that can arise, Ovens & Murray Water Polo Association provides a step-by-step complaint procedure that people may use/enter at any stage. Individuals and organisations to which this policy applies may also pursue their complaint externally under anti-discrimination, child-protection or other relevant legislation.

If at any point in the complaint process the Member Protection Officer considers that a complainant has **knowingly** made an untrue complaint or the complaint is vexatious or malicious, the matter will be referred to the hearings tribunal for appropriate action. All complaints will be kept confidential and will not be disclosed to another person without the complainant's consent except if law requires disclosure or if disclosure is necessary to effectively deal with the complaint.

### **Step 1**

As a first step you (the complainant) should try to sort out the problem with the person or people involved if you feel able to do so.

### **Step 2**

If:

- the first step is not possible/reasonable; or
- you are not sure how to handle the problem by yourself; or
- you just want to talk confidentially about the problem with someone and get some more information about what you can do; or
- the problem continues after you tried to approach the person or people involved; then talk with either of our Member Protection Officers. A list of Member Protection Officers can be found on our website ([www.omwaterpolo.org.au](http://www.omwaterpolo.org.au)).

The Member Protection Officer will:

- take notes about your complaint (which the Member Protection Officer will keep in a secure and confidential place);
- try to sort out the facts of the problem;
- ask what outcome/how you want the problem resolved and if you need support;
- provide possible options for you to resolve the problem;
- explain how our complaints procedure works;
- act as a support person if you so wish;
- refer you to an appropriate person to help you resolve the problem, if necessary;
- inform the relevant government authorities and/or police if required by law to do so; and
- maintain strict confidentiality.

### **Step 3**

After talking with the Member Protection Officer, you may decide:

- there is no problem;
- the problem is minor and you do not wish to take the matter forward;
- to try and work out your own resolution (with or without a support person such as a Member Protection Officer; or
- to seek an informal mediated resolution with the help of a third person (such as a mediator or a Manager).

If you wish to remain anonymous, the Ovens & Murray Water Polo Association can't assist you to resolve your complaint. We have to follow the principles of natural justice and be fair to both sides. This means that the Ovens & Murray Water Polo Association or you may be required to provide the

person/people you have complained about with full details of the complaint so they have a fair chance to respond to all the allegations.

#### **Step 4**

If your complaint is not resolved to your satisfaction, you may:

- make a formal complaint in writing to the Ovens & Murray Water Polo Association President: or;
- approach a relevant external agency such as an Equal Opportunity Commission, for advice.

#### **Step 5**

If you decide to make a formal complaint in writing under Step 4, the Ovens & Murray Water Polo Association President will, on receiving the formal complaint and based on the material you have provided, decide whether:

- they are the most appropriate person to receive and handle the complaint;
- the nature and seriousness of the complaint warrants a formal resolution procedure. Some complaints may be of a minor and/or purely personal nature with no connection to the activities of the Ovens & Murray Water Polo Association. In these cases, the Ovens & Murray Water Polo Association President may determine that the complaint does not warrant a formal resolution procedure;
- to appoint a person to investigate the complaint;
- to refer the complaint to an informal or formal mediation session;
- to refer the complaint to a hearings tribunal;
- to refer the matter to the police or other appropriate authority; and/or
- to implement any interim administrative or other arrangements that will apply until the complaint process set out in these Procedures is completed.

In making the decision(s) outlined above, the Ovens & Murray Water Polo Association President will take into account:

- whether they have had any personal involvement in the circumstances giving rise to the complaint and, if so, whether their ability to impartially manage the complaint is compromised or may appear to be compromised;
- whether, due to the nature of the complaint, specific expertise or experience may be required to manage the complaint;
- your wishes, and the wishes of the respondent, regarding the manner in which the complaint should be handled;
- whether, due to the nature of the complaint, the relationship between you and the respondent and any other relevant factors, the complaint should be referred (or should not be referred) to informal or formal mediation or to a hearings tribunal. Relevant factors may include an actual or perceived power imbalance between you and the respondent, the nature of any ongoing working relationship between you and the respondent, and the personal attributes of you and the respondent (for example, if one party does not speak English fluently, some of the possible complaints resolution mechanisms may not be appropriate);
- the nature and sensitivity of any information or other material that must be provided by you, the respondent, and any of the other people involved in the complaint;
- whether the facts of the complaint are in dispute; and
- the urgency of the complaint, including the likelihood and the consequences (if the complaint is ultimately proven) that you will be subject to further unacceptable behaviour while the complaint process set out in these Procedures is being conducted.

If Ovens & Murray Water Polo Association President is the appropriate person to handle the complaint they will, to the extent that these steps are necessary:

- get full information from you (the complainant) about your complaint and how you want it resolved (if this information has not already been obtained through earlier steps);
- put the information they've received from you to the person/people you're complaining about and ask them to provide their side of the story;

- decide whether they have enough information to determine whether the matter alleged in your complaint did or didn't happen; and/or
- determine what, if any, further action to take. This action may include disciplinary action in accordance with Attachment C6, appointing a person to investigate the complaint, referring the complaint to an informal or a formal mediation session or a hearings tribunal and/or referring the complaint to the police or other appropriate authority.

## Step 6

If:

- a person is appointed to investigate the complaint under **Step 5**, the investigator will conduct the investigation and provide a written report to the Ovens & Murray Water Polo Association Executive Committee who will determine what, if any, further action to take. This action may include a direction to the investigator to make further enquiries and obtain additional information, disciplinary action in accordance with Attachment C6, and referring the complaint to an informal or a formal mediation session, a hearings tribunal and/or the police or other appropriate authority;
- the complaint is referred to an informal or a formal mediation session under **Step 5**, the mediation session will be conducted in accordance with Attachment C2 or as otherwise agreed by you and the respondent;
- the complaint is referred to a hearings tribunal under **Step 5**, the hearing will be conducted in accordance with Attachment C5;
- the complaint is referred to the police or other appropriate authority under **Step 5**, the Ovens & Murray Water Polo Association will use its best endeavours to provide all reasonable assistance lawfully required by the police or other appropriate authority; and
- interim administrative or other arrangements are implemented under **Step 5**, the Ovens & Murray Water Polo Association will periodically review these arrangements to ensure that they are effective.

## Step 7

If, under **Step 6**, an informal or formal mediation session is conducted, and you and the respondent(s) cannot reach a mutually acceptable mediated solution to the complaint, you may request that Ovens & Murray Water Polo Association President reconsider the complaint in accordance with **Step 5**.

You or the respondent(s) may be entitled to appeal where:

- under **Step 5**, a decision was made by Ovens & Murray Water Polo Association President :
  - not to take any action; or
  - to take disciplinary action; or
- under **Step 6**, a decision was made by an appointed person or a hearings tribunal:
  - not to take any action; or
  - to take disciplinary action.

The grounds for appeal and the process for appeals under this Policy are set out in Attachment C5.

If the internal complaints processes set out in this Policy do not achieve a satisfactory resolution/outcome for you, or if you believe it would be impossible to get an impartial resolution within the Ovens & Murray Water Polo Association, you may choose to approach an external agency such as an equal opportunity commission to assist with a resolution.

## **Step 8**

The investigator will document the complaint, the process followed and the outcome. This document will be stored in a confidential and secure place. If the complaint was dealt with at a state/district level, the information will be stored in the state association office. If the matter is of a serious nature, or if the matter was escalated to and/or dealt with at the national level, the original document will be stored at the national office with a copy stored at the state office.

### **External procedure**

There may be a range of external options available to you depending on the nature of your complaint. If you feel that you have been harassed or discriminated against, you can seek advice from your State or Territory equal opportunity commission without being obliged to make a formal complaint. If the commission advises you that the problem appears to be a type of harassment that comes within its jurisdiction, you may then make a decision as to whether or not to lodge a formal complaint with the commission.

Once a complaint is received by an anti-discrimination commission, an investigation will be conducted. If it appears that unlawful harassment or discrimination has occurred, there will usually be an attempt to conciliate the complaint confidentially first. If this fails, or is inappropriate, the complaint may go to a formal hearing where a finding will be made as to whether unlawful harassment or discrimination occurred. The tribunal will decide upon what action, if any, will be taken. This could include financial compensation for such things as distress, lost earnings or medical and counselling expenses incurred.

An anti-discrimination commission can decline to investigate a complaint, or dismiss a complaint at any point in the investigation, conciliation or public hearing stages.

If you do lodge a complaint under anti-discrimination law, you may use an appropriate person (e.g. a Member Protection Officer) as a support person throughout the process. It is also common to have a legal representative, particularly at the hearing stage of a complaint.

## Attachment C2: MEDIATION

---

Mediation is a process by which people who are in conflict can be helped to communicate with each other about what is important for them and how to make decisions about resolving their dispute. Mediators provide a supportive atmosphere and method of talking to one another, to assist in sorting out the issues, coming up with acceptable solutions and making mutually satisfactory agreements.

This attachment outlines the general procedure of mediation that will be followed by Ovens & Murray Water Polo Association.

1. The people involved in a formal complaint (complainant and respondent(s)) may work out their own resolution of the complaint or seek the assistance of a neutral third person or a mediator. Mediation may occur either before or after an investigation of the complaint.
2. Mediation (getting those involved to come to a joint agreement about how the complaint should be resolved) will only be recommended:
  - a. After the complainant and respondent have had their chance to tell their version of events to Member Protection Officer; *and*
  - b. The Member Protection Officer does not believe that any of the allegations warrant any form of disciplinary action - proven serious allegations will not be mediated, no matter what the complainant desires; and
  - c. Mediation looks like it will work (i.e. the versions given by the complainant and respondent tally or almost tally and/or at the very least, it looks as though it will be possible for each party to understand the other party's point of view).
3. Mediation will **not** be recommended if:
  - a. The respondent has a completely different version of the events and they won't deviate from these;
  - b. The complainant or respondent are unwilling to attempt mediation; or
  - c. Due to the nature of the complaint, the relationship between you and the respondent(s) and any other relevant factors, the complaint is not suitable for mediation.
4. If mediation is chosen to try and resolve the complaint, the Member Protection Officer will, in consultation with the complainant and the respondent(s), arrange for a mediator to mediate the complaint.
5. The Member Protection Officer will notify the respondent(s) that a formal complaint has been made, provide them with details of the complaint and notify them the Ovens & Murray Water Polo Association has decided to refer the matter to mediation to resolve the complaint.
6. The mediator's role is to assist the complainant and respondent(s) reach an agreement on how to resolve the problem. The mediator, in consultation with the complainant and respondent(s), will choose the procedures to be followed during the mediation. At a minimum, an agenda of issues for discussion will be prepared by the mediator.
7. The mediation will be conducted confidentially and without prejudice to the rights of the complainant and the respondent(s) to pursue an alternative process if the complaint is not resolved.
8. At the end of a successful mediation the mediator will prepare a document that sets out the agreement reached between the complainant and respondent(s) and it will be signed by them as their agreement.

9. If the formal complaint is not resolved by mediation, the complainant may:
  - a. Write to the Ovens & Murray Water Polo Association President to request that he/she reconsider the complaint in accordance with **Step 5**; *or*
  - b. Approach an external agency such as an anti-discrimination commission.

### **Attachment C3: INVESTIGATION PROCESS**

---

If an investigation needs to be conducted the following steps are to be followed:

1. A written brief will be provided to the investigator to ensure the terms of engagement and scope of the investigator's role and responsibilities are clear.
2. The complainant will be interviewed and the complaint documented in writing.
3. The details of the complaint will be conveyed to the person/people complained about (respondent(s)) in full. The respondent(s) must be given sufficient information to enable them to properly respond to the complaint.
4. The respondent(s) will be interviewed and given the opportunity to respond. The respondent(s) response to the complaint will be documented in writing.
5. If there is a dispute over the facts, then statements from witnesses and other relevant evidence will be obtained to assist in a determination.
6. The investigator will make a finding as to whether the complaint is:
  - substantiated (there is sufficient evidence to support the complaint);
  - inconclusive (there is insufficient evidence either way);
  - unsubstantiated (there is sufficient evidence to show that the complaint is unfounded); and/or
  - mischievous, vexatious or knowingly untrue.
7. A report documenting the complaint, investigation process, evidence, finding and, if requested, recommendations, will be given to the Ovens and Murray Water Polo Association Executive Committee.
8. A report documenting the complaint and summarising the investigation process and key points that were found to be substantiated, inconclusive, unsubstantiated and/or mischievous will be provided to the complainant and the respondent(s).
9. Both the complainant and the respondent(s) are entitled to support throughout this process from their chosen support person/adviser (e.g. Member Protection Officer or other person).
10. The complainant and the respondent(s) may have the right to appeal against any decision based on the investigation. Information on our appeals process is in Attachment C5.

## **1.1. Attachment C4: INVESTIGATION PROCEDURE - CHILD ABUSE**

---

An allegation of child abuse is a very serious matter and must be handled with a high degree of sensitivity. The initial response to a complaint that a child has allegedly been abused should be immediate if the incident/s are serious or criminal in nature while less serious/urgent allegations should be actioned as soon as possible, preferably within 24 hours.

The following is a basic outline of the key processes to follow. More information can be obtained from your relevant State or Territory government agency.

### **Step 1 - Clarify basic details of the allegation**

- Any complaints, concerns or allegations of child abuse should be made or referred to the Member Protection Officer.
- The initial response of the person that receives the complaint from the child (or person on behalf of the child) is crucial to the well-being of the child. It is important for the person receiving the information to:
  - Listen to, be supportive and do not dispute what the child says;
  - Reassure the child that what has occurred is not the fault of the child;
  - Ensure the child is safe;
  - Be honest with the child and explain that other people may need to be told in order to stop what is happening; and
  - Ensure that what the child says is quite clear but do not elicit detailed information about the abuse. You should avoid suggestive or leading questions.
- The person receiving the complaint should obtain and clarify basic details (if possible) such as:
  - Child's name, age and address;
  - Person's reason for suspecting abuse (observation, injury or other); and
  - Names and contact details of all people involved, including witnesses.

### **Step 2 – Report allegations of a serious or criminal nature**

- Any individual or organisation to which this policy applies, should immediately report any incident of a serious or a criminal nature to the police and other appropriate authority.
- If the allegation involves a child at risk of harm, the incident should immediately be reported to the police or other appropriate government agency. You may need to report to both the police and the relevant government agency.
- The relevant State or Territory authority should be contacted for advice if there is **any** doubt about whether the complaint should be reported.
- If the child's parent/s are suspected of committing the abuse, report the allegation to the relevant government agency.

### **Step 3 – Protect the child**

- The Member Protection Officer should assess the risks and take interim action to ensure the child's/children's safety. Some options could include redeployment of the alleged offender to a non-child related position, supervision of the alleged offender or removal/suspension from their duties until the allegations are finally determined.
- The Member Protection Officer should also address the support needs of the person against whom the complaint is made. Supervision of the person should ideally occur with the knowledge of the person. If stood down, it should be made clear to all parties that are aware of the incident that this does not mean the person is guilty and a proper investigation still needs to be undertaken.

#### **Step 4 – Further clarify and investigate allegation**

For allegations of a serious or criminal nature (for example, sexual abuse):

- Seek advice from the police and relevant government agency as to whether the Ovens and Murray Water Polo Association should carry out its own internal investigation (in addition to any police or relevant government agency investigation).
- If the police and/or relevant government agency advises that it is appropriate, then appoint an independent person (where possible) with appropriate expertise to conduct an investigation. The investigator should:
  - Contact the parents/carers of the child at an appropriate time and as directed by the police or relevant government agency.
  - If appropriate, meet with parents/carers and the child to clarify the incident and offer support on behalf of the Ovens and Murray Water Polo Association if required (example, professional counselling).
  - Meet with the person against whom the allegation refers at an appropriate time and as directed by the relevant authority and give the person an opportunity to explain or respond to the allegation and identify any witnesses and supporting evidence. The person should have an opportunity to invite a support person/adviser to attend at a meeting and should be offered support (example, professional counselling) if necessary.
  - Obtain a signed statement and record of interview from the person.
  - Make contact with any witnesses and obtain written and signed statements outlining details of the allegation (what happened, when, how). This should only occur following advice from the relevant authority.
  - Obtain other information that could assist in making a decision on the allegation.
- The information collected during the investigation should be made available to the relevant authorities.
- Strict confidentiality, impartiality, fairness and due process must be maintained at all times.

For allegations of a less serious nature (e.g. verbal abuse):

- Where possible, appoint an independent person with appropriate expertise to make contact and meet with each of the people involved to obtain details of the allegation.
- The investigator should follow the procedure set out in Attachment C3..
- Strict confidentiality, impartiality, fairness and due process must be maintained at all times.

#### **Step 5 – Record and analyse all information**

- If an internal investigation was conducted under **Step 4**, the investigator will provide a report to the Ovens and Murray Water Polo Association Executive Committee.
- The decision-maker(s) will be Ovens and Murray Water Polo Association President and Executive Committee and will remain separate and at arm's length from the investigator.
- The Ovens and Murray Water Polo Association President and Executive Committee will consider all the information and determine a finding. It will also recommend action and its rationale for the action.

#### **Step 6 – Undertake disciplinary action**

- For incidents of a serious or criminal nature, consideration must be given to the findings of the police and/or the government agency before making a decision on disciplinary proceedings.
- If disciplinary action is to be taken, follow the procedures outlined in Attachment C6 of the policy.
- Implement any disciplinary decision recommended by the Ovens and Murray Water Polo Association President and Executive Committee. The action should be immediate.
- Check with the relevant state government authority to see if you need to forward a report (e.g. the NSW Commission for Children and Young People requires notification of relevant employment proceedings).
- Complete the Record of Decision of Investigated Complaint report form in Part D of this policy. Retain the original in a secure place.

2. The Ovens and Murray Water Polo Association President will organise for a Tribunal to be convened by notifying all Tribunal Panel members that they are required to hear a complaint. The Tribunal Panel members will be provided with a copy of all the relevant correspondence, reports or information received relating to the complaint/allegations.

  - 4.3 If a member of the Tribunal Panel cannot continue once the Tribunal Hearing has commenced, and the minimum number required for the Tribunal Hearing is still maintained, the discontinuing member will not be replaced.
  - 4.4 If the specific or minimum number is not maintained, the discontinuing member may be replaced if it is considered appropriate by the Tribunal Chairperson. Factors to consider should include the circumstances of the complaint and the ability of the new Tribunal Panel member to be reasonably and impartially informed of the hearing evidence up until the time of their appointment. If the Tribunal Chairperson believes it is not appropriate for a new Tribunal Panel member to be appointed then the Tribunal will be rescheduled to a later date. The respondent(s) will be allowed to participate in all Ovens and Murray Water Polo Association activities and events, pending the decision of the Tribunal, including any available appeal process, unless the Ovens and Murray Water Polo Association President believes it is warranted to exclude the respondent(s) from all or some Ovens and Murray Water Polo Association activities and events, after considering the nature of the complaint.

6. The Ovens and Murray Water Polo Association President will inform the person making the complaint (complainant) by written notification that a tribunal hearing will take place. The written notification will outline:
  - That the person has a right to appear at the tribunal hearing to support their complaint;

  - The date, time and venue of the tribunal hearing;

  - That they may arrange for witnesses to attend the Tribunal in support of their position; and

9. The Tribunal Chairperson will call the hearing to order at the designated time and determine if the respondent(s) is present.
10. If the respondent(s) is not present and the Tribunal Chairperson considers that no valid reason has been presented for their absence, the Tribunal Hearing will continue subject to the Tribunal Chairperson being satisfied that all Tribunal notification requirements have been carried out correctly.
11. If the Tribunal Chairperson considers that a valid reason for the non-attendance of the respondent(s) is presented, or the Tribunal Chairperson does not believe the Tribunal notification requirements have been carried out correctly, then the Tribunal Hearing will be rescheduled to a later date.
12. The Tribunal Chairperson will inform the Ovens & Murray Water Polo Association President of the need to reschedule, who will then organise for the Tribunal Hearing to be reconvened.
13. The Tribunal Chairperson will read out the complaint that is to be judged, ask the respondent(s) if they understand the complaint being made against them, and if they agree or disagree with the complaint.
14. If the person agrees with the complaint, they will be asked to provide any evidence or witnesses that should be considered by the Tribunal Panel when determining any disciplinary measures.

  20. If the Tribunal considers that at any time during the Tribunal Hearing that there is any unreasonable or intimidatory behaviour from anyone allowed to be present, the Tribunal Chairperson shall have the power to stop any further involvement of the person in the Tribunal Hearing.
  21. After all of the evidence has been presented the Tribunal Panel will make its decision in private. If the Tribunal believes the complaint has been substantiated on the balance of probabilities (i.e. more probable than not), the respondent will then be given an opportunity to address the Tribunal Panel and make a submission on any disciplinary measures that may be imposed. Only those disciplinary measures outlined in the Ovens & Murray Water Polo Association's Member Protection Policy will be considered. Any disciplinary measure imposed must be reasonable in the circumstances.
  22. All decisions made by the Tribunal will be based on a majority vote.
  23. The Tribunal Chairperson will announce the decision in the presence of all those involved in the hearing and will declare the hearing closed.
  24. Within 48 hours, the Tribunal Chairperson will:

27. If the letter of appeal is not received by the Ovens & Murray Water Polo Association President or Secretary within the relevant time period the right of appeal will lapse. If the letter of appeal is received but the appeal fee is not received by the relevant time, the appeal shall be deemed to be withdrawn.
28. Upon receipt of the letter of appeal, the Ovens & Murray Water Polo Association President must convene a special meeting of the Ovens & Murray Water Polo Association Executive Committee

to review the letter of appeal and decide whether there are sufficient grounds for the appeal to proceed. The Ovens & Murray Water Polo Association President will be able to invite any witnesses to the meeting it believes are required to make an informed decision.

29. If it is considered that the letter of appeal has not shown sufficient grounds for appeal in accordance with paragraph 25, then the appeal will not proceed and the person will be notified of this decision and the reasons for this decision. The appeal fee will be forfeited.
30. If the appeal is considered to have sufficient grounds to proceed then a Tribunal with a new panel will be convened to rehear the complaint, and the appeal fee will be refunded. The Ovens & Murray Water Polo Association Executive Committee shall follow the Tribunal Formation and Notification procedures outlined above.
31. The Tribunal Hearing Procedure shall be followed for the appeal.

6. A recommendation to Australian Water Polo Incorporated or the relevant State Association that its membership of the be suspended or terminated in accordance with the relevant constitution or rules; and/or
7. Any other form of discipline that the national body or peak organisation considers to be appropriate.

When imposing any form of discipline, it will be accompanied by a warning that a similar breach of policy by the organisation in the future may result in more serious form of discipline.

#### **Factors to consider when imposing discipline**

The form of discipline to be imposed on an individual or organisation will depend on factors such as:

- Whether the individual is a parent and/or spectator (due to the difficulty enforcing a penalty);
- Nature and seriousness of the behaviour or incidents;
- In a case where action is taken concurrently with or in lieu of a resolution of a formal complaint, the wishes of the complainant;
- If the individual concerned knew or should have known that the behaviour was a breach of the policy;
- Level of contrition of the respondent(s);
- The effect of the proposed disciplinary measures on the respondent(s) including any personal, professional or financial consequences;
- If there have been relevant prior warnings or disciplinary action; and/or

If there are any mitigating circumstances such that the respondent(s) shouldn't be disciplined at all or not disciplined so seriously.
